Enrollment and Program Completers

THIS PAGE INCLUDES:

>> [Enrollment and Program Completers](#)

In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year.

No Race/Ethnicity Reported	0	0

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2019-20.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

What are CIP Codes?

No teachers prepared in academic year 2019-20

If your program has no teachers prepared, check the box above and leave the table below blank (or [clear responses already entered](#)).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>).

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2019-20. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
 No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

Core academic subject area course work is found in elementary and early childhood programs. Candidates return early for extended practicum in the fall to see how teachers start the school year. District school administrators, teachers, and university supervisors participate in Education Advisory Council meet to consider program changes to best prepare candidates to meet the needs of the districts/schools/families. The program identifies needs in the field via survey data, Education Advisory Council feedback, and personal contacts with cooperating teachers and school administrators. Program changes are made based on this feedback information. The program partnership with local public charter school creates opportunities for candidates to work with parents in a Literacy Night format. Candidates support the parents in providing parent instruction on areas related to literacy. During COVID 19, student teachers participated in online instruction in support of the schools and families. Candidates in the Students with Diverse needs course receive instruction on working with students with disabilities, including role playing 504 plans. ESOL learners are addressed in specific course instruction from a field specialist. Candidate practicum and student teaching placements are tracked to ensure candidates have experience in

Annual Goals: Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(§205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

Low-Performing

1. Is your teacher preparation program currently approved or accredited?

- Yes
- No

If yes, please specify the organization(s) that approved or accredited your program:

- State
- CAEP
- AAQEP
- Other specify:

SACS

2. Is your teacher preparation program currently under a designation as "low-performing" by the state?

- Yes
- No

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Integrating technology is embedded in multiple courses throughout the program, however Instructional Practices for Literacy and Technology has a specialized focus. Candidates work with multiple virtual and face-to-face classroom technology needs in both practicum and student teaching experiences. Instructional strategies integrate SMART Board as well as web-based applications such as Kahoot, Quizlet, Google Docs, etc. Candidates develop Technology Toolbox strategies with include streaming, archival visual data, and movement. In numerous classes and practical training, students are encouraged to provide information in a variety of ways, monitor for student engagement, and maintain high expectations for all students. Candidates implement MicroSoft Excel in the pre-/post-test assessment data for unit learning outcomes and tracking student learning growth in the Unit Work Sample.

Teacher Training

>> [Teacher Training](#)

Provide the following information about your teacher preparation program.

(§205(a)(1)(G))

Teacher Training

1. Provide a description of the activities that prepare general education teachers to:

a. Teach students with disabilities effectively

Candidates have a required course (EDU 5810 Students with Diverse Needs) focusing on teaching early childhood and elementary students with various learning needs, including gifted students as well as disabled students. Candidates role play an IEP meeting with a parent. Additionally, candidates receive instruction (EDU 5541 Learning Environment and Classroom Management) in building a learning environment conducive for meeting the needs of students with disabilities. Additionally, all lesson plans in the program are reviewed and scored as to the candidates' support for the student learning needs. Candidate lessons are observed and scored using the state SCTS 4.0 rubric, holding candidates and the program accountable for meeting student needs.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

Candidates in EDU 5810 Students with Diverse Needs watch an IEP meeting modeled and then are required to participate in a mock IEP team meeting where parents of children with disabilities are brought in to participate. As opportunities arise, candidates participate in IEP meetings in their student teaching experience.

c. Effectively teach students who are limited English proficient.

Candidates receive specific instruction for working with ELL (EDU 5603 Instructional Practices for Literacy and Technology). A course module in ESOL is taught by a TESOL professor who also brings in a district TESOL person. Candidates are required to develop an ELA lesson plan with a specific focus on the diverse learning needs discussed during the ESOL section of the course. Additionally, all lesson plans in the program are reviewed and scored as to the candidates' support for the student learning needs using the state SCTS 4.0 rubric.

2. Does your program prepare special education teachers?

- Yes
- No

If yes, provide a description of the activities that prepare *special education teachers* to:

a. Teach students with disabilities effectively

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

c. Effectively teach students who are limited English proficient.

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Columbia International University has a state approved Master of Arts in Teaching program which includes both elementary and early childhood preparation at the graduate level. The undergraduate state approved teacher education program was approved to begin student enrollment for fall 2019. However, no students entered this program but opted instead to move into the 4+1 program leading into the Master of Arts in Teaching degree.
